ASSIGNMENT

WHEREAS, we, Eaton Corporation of 1300 East Ninth Street, Cleveland, Ohio 44114, have invented certain new and useful improvements for an EXCITATION CONTROL SYSTEM AND METHOD EMPLOYING DE-EXCITATION TRIP LOGIC for which Eaton Corporation owns an application for Letters Patent in the United States said application being assigned serial number 10/370,212 by the U.S. Patent and Trademark Office, which issued on March 9, 2004 as U.S. Patent No. 6,704,214 and identified as Thompson Coburn LLP, Docket 66019-69001; and

WHEREAS, Basler Electric Company, a corporation of the State of Illinois having its principal office and place of business at Route 143, P.O. Box 269, Highland, Illinois 62249, is desirous of acquiring the entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to the patent to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, we, Eaton Corporation, have sold, assigned and transferred and do hereby sell, assign and transfer unto said Basler Electric Company, its successors or assigns, the entire right, title and interest in and to said invention and improvements as the same are disclosed in said application which was executed by me, in and to said application, and in and to any Letters Patent, including divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the assignee may desire to apply for, but at the expense of said assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Assignee Basler Electric Company in accordance with this Assignment.

The undersigned hereby authorizes and requests the attorneys of record in said application(s) to insert in this Assignment the serial number, filing date, and date of execution of said application(s).

For said considerations, the undersigned hereby agrees, upon the request and at the expense of said Assignee, to execute any divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the

reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment has not been made.

And for said consideration, the undersigned hereby assigns to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 20<sup>th</sup> day of August, 2007. This Assignment is effective as of June 13, 2006.
