ASSIGNMENT

U.S. Patent Appl. No.: **11/347,947**
Filed: **February 6, 2006**
Title: **Fuels Comprising Hydrophobic Starch
and Methods of Fueling an Engine**

For \$1.00 and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (**Leonard T. Lewis**) hereby assigns to the assignee (**LenLo Chem, Inc.**), its successors and assigns, his entire right, title and interest in the inventions or improvements of the undersigned disclosed in **U.S. Patent Application No. 11/347,947**, and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said inventions or improvements, including any divisional, continuation, continuation-in-part and substitute applications, and in any and all Patents of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue, reexamination, or extension thereof.

The undersigned hereby authorizes and requests any official whose duty it is to issue patents, to issue any patent on said inventions and improvements to assignee. The undersigned warrants that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said consideration the undersigned hereby agrees, upon the request of the assignee, his successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for said inventions or improvements, and any necessary oath or affidavit relating thereto, and any applications for the reissue or extension of any Patent that may be granted upon said applications, and any and all applications and other patent documents in foreign countries on said invention or improvements, that said assignee, his successors or assigns, may deem necessary or

expedient. For the aforesaid consideration, the undersigned further agrees upon the request of said assignee, his successors or assigns, in the event of any application or patent assigned herein becoming involved in Interference or other proceeding, to cooperate to the best of the ability of the undersigned with said assignee, his successors or assigns, in preparing and executing oaths, statements, affidavits, or declarations, and in giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Patent, both United States and foreign, and vest all rights therein hereby conveyed in said assignee, its successors and assigns, whereby said Patent will be held and enjoyed by said assignee, its successors and assigns, to the full end of the term for which said Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

WITNESS my hand this 20 day of AUGUST, 2007.
