## ASSIGNMENT

WHEREAS, We, Jeffrey Valk of 5555 East Mockingbird Lane, Suite 1401, Dallas, TX, 75206, USA, and Timothy Valk of 103 Front Street, Palm Coast, FL, USA, 32137 have invented and own certain inventions, patents and/or patent applications set forth on the attached Schedule A; and

WHEREAS, Admetsys Corporation, a corporation organized and existing under the laws of the state of Nevada, and having an office located at 103 Front Street, Palm Coast, FL, USA, 32137, is desirous of acquiring the entire right, title and interest in and to said inventions, patents and/or patent applications set forth on the attached Schedule A, and to any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration to us in hand paid by said Admetsys Corporation, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Admetsys Corporation, its successors and assigns, our entire right, title and interest in and to said inventions, said applications and the Letters Patents, both foreign and domestic, that may or shall issue, including all of our rights under the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties, and we do hereby authorize and request the Director of the United States Patents and Trademark Office to issue said Letters Patents to the above-mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patents, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties.

Upon said consideration, we do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In witness whereof, we have hereunto set our hands and affixed our seals.
