PATENT  
REEL: 019744 FRAME: 0544

**BILL OF SALE AND ASSIGNMENT OF  
ASSETS BY STEPHEN G. PERLMAN REVOCABLE TRUST**

Stephen G. Perlman Revocable Trust UDT dated August 7, 1997 (the "*Transferor*") owns all of the assets listed or described on Exhibit A hereto (the "*Transferred Assets*") which were transferred to the Transferor as of June 30, 2006.

FOR GOOD AND VALUABLE CONSIDERATION, the Transferor now wishes to contribute the Transferred Assets in their entirety to Rearden LLC, a California limited liability company ("*Transferee*") pursuant to the terms of the Amended and Restated Operating Agreement of Rearden LLC dated as of June 30, 2006 (the "Operating Agreement").

The Transferor, for itself and its successors and assigns, covenants that, at any time and from time to time after the date hereof, it will, at the request and expense of Transferee, execute and deliver all such further assignments, instruments of transfer, bills of sale, or conveyances as may be reasonably necessary or which may be reasonably requested by Transferee or its counsel in order to fully vest in Transferee all right, title and interest of the Transferor in and to the Transferred Assets and otherwise to carry out the purpose and intent of this Bill of Sale and Assignment.

All other assets of the Transferor of any kind and nature whatsoever are specifically excluded herefrom.

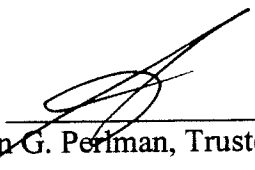

Notwithstanding any other provision of this Bill of Sale and Assignment to the contrary, this Bill of Sale and Assignment shall not be construed as creating warranties in addition to those set forth in other agreements or as superseding, modifying, replacing, amending, changing, rescinding, waiving, exceeding, expanding, releasing or in any way affecting any of the provisions of other agreements or any of the rights, duties or obligations of Transferee or the Transferor.

This Bill of Sale and Assignment is intended only to effect the transfer of the assets contemplated to be transferred, shall be governed entirely in accordance with the terms and conditions thereof and shall not constitute an assignment or any agreement to transfer or assign any of the Transferred Assets which by their terms or under applicable law cannot be assigned or transferred.
