ASSIGNMENT

Whereas I, the undersigned, Richard Anthony Connell, hereby have made certain inventions or discoveries (or both) set forth in an application for Letters Patent of the United States of America entitled ELECTRICAL CONTACTOR, identified as Attorney Docket No. REDDI-015PUS and Client Case No. P/48610.US01 which application was executed on August 17, 2007 and filed on October 27, 2006 and Assigned Application No. 11/568,423. In the event that the execution date, filing date and/or Application No. are not entered above at the time I executed this document, and if such information is deemed necessary, I hereby authorize and request my attorneys at DAILY, CROWLEY, MOFFORD & DURKEE, LLP, 354A Turnpike Street, Suite 301A, Canton, MA 02021-2714, to insert above the filing date and/or Application No. of said application.

Whereas, Dialight BLP Limited, a Great Britain Corporation, having a place of business at Exning Road, Newmarket, Suffolk CB8 0AX, United Kingdom, and which, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits and privileges hereinafter recited;

Now, therefore, for valuable consideration furnished by Assignee to me/us, receipt and sufficiency of which I hereby acknowledge, I hereby, without reservation:

1. Assign, transfer and convey to Assignee the entire right, title and interest in and to said application for Letters Patent of the United States of America, including all divisional, renewal, substitute, continuation, reissue, and reexamination and applications based in whole or in part upon said application for Letters Patent of the United States of America, and any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said applications, and every priority right that is or may be predicated upon or arise from said applications and said Letters Patent and any provisional applications from which priority is claimed in said Letters Patent;
2. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;
3. Warrant that I have not knowingly conveyed to others any right in application for Letters Patent of the United States of America or patents or any license to use the same or to make, use or sell anything embodying or utilizing application for Letters Patent of the United States of America; and that I have good right to assign the same to Assignee without encumbrance;
4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Assignee without encumbrance;

5. Bind my heirs, legal representatives and assigns, as well as myself, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to me or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me, my heirs, legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in my control or in the control of my heirs, legal representatives or assigns which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said inventions and discoveries.

In testimony of which I have each executed this Assignment on the date indicated next to my name.

Dated: 17 AUG 07
