ASSIGNMENT

WHEREAS, I, **KEITH W. HUFFSTUTLER**, of Round Rock, Williamson County, Texas has invented certain improvements in

METHOD AND APPARATUS FOR PROTECTING AN ARTICLE DURING OPERATION

and filed a United States patent application therefor;

WHEREAS, **CIRRUS LOGIC, INC.**, a Delaware corporation, having offices at 2901 Via Fortuna, Austin, Texas 78746, (hereinafter called **Cirrus Logic**), desires to acquire the entire right, title and interest in the said application and invention, and to any United States and foreign patents to be obtained therefor;

NOW, THEREFORE, for valuable consideration, receipt whereof is hereby acknowledged, I, the above named, hereby sell, assign, and transfer to **Cirrus Logic**, its successors and assigns, the entire right, title and interest in said application, the invention or inventions therein shown and described, and any improvements on said inventions or otherwise disclosed therein, heretofor or hereafter made, and any divisions, substitutes, renewals, reissues, counterparts or continuations of said application which have been or shall be filed in the United States of America and all foreign countries, and in any and all patents or proprietary rights to be granted upon any such application or applications or for the invention or inventions thereof, and any reissues, reexaminations, continuations or extensions of said patents, and all rights for past and future infringement related to any patents issued or to be issued thereon; and all rights of priority resulting from the filing of said application, and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application, and I hereby authorize and request the Commissioner of Patents or other issuing authority to issue any Letters Patent or equivalent rights granted upon the invention set forth in said application for the invention or inventions hereof to **Cirrus Logic**, its successors and assigns; and I hereby agree that **Cirrus Logic** may apply for foreign Letters Patent on said invention in its name;

And for said consideration, I hereby covenant and agree that I am the owner of the full title herein conveyed and that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by me, and I have the full right to convey the same, and agree that we will communicate to **Cirrus Logic** any facts known to me respecting said invention or inventions, and testify in any legal proceedings when called upon by **Cirrus Logic**, sign our names to all papers deemed by **Cirrus Logic** as expedient to vest in it the legal title herein sought to be conveyed or for the filing and prosecution of all applications and patents, United States and foreign, including any disclaimers related thereto, and otherwise to **Cirrus Logic**, its successors and assigns, in obtaining full patent protection on said invention, inventions or improvements, and enforcing proper protection under

said patents, but in every instance at Cirrus Logic's reasonable expense for reasonable costs incurred in compliance with such obligation.

I covenant and agree that the above is and will be binding on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the undersigned.

IN TESTIMONY WHEREOF, I execute this Assignment on the 30 day of August,
2005
2007
