ACKNOWLEDGEMENT OF LIEN

I, Ronen M. Moyal, acknowledge that I have created a first security interest in the collateral set forth upon Exhibit A attached hereto (the "Collateral").

Such security interest has been created pursuant to the terms of a certain Non-Recourse Guaranty and Security Agreement ("Guaranty") made by me in favor of Taimuraz Valiev ("Valiev") dated August 28, 2007. The Guaranty provides a guaranty of the payment of a certain promissory note in the amount of \$1,050,000.00 ("Note") made by Omega Aquatics, Incorporated, an Illinois corporation ("Omega"), in favor of Valiev. I am a principal shareholder in Omega and expect to derive an economic benefit from the loan made by Valiev to Omega. My obligations under the Guaranty are limited to the amounts to be received upon a sale of the Collateral upon the occurrence of an event of default under the Note or the Security Agreement dated August 28, 2007 executed by Omega in favor of Valiev.

Dated: August 28, 2007

Ronen M. Moyal

EXHIBIT A

COLLATERAL

The patent applications and other applications described below filed by Ronen M. Moyal ("Guarantor"), and any and all other patent applications now or hereafter filed or pending in any jurisdiction in the world arising from or relating to the swim fins described in any of the patent applications described below, including without limitation any and all rights and interests that arise from, and all patents which issue on, those applications including without limitation any continuing applications, reissues, re-exams, utility models or patent of additions thereof; together with all intellectual property rights and interests of any kind arising from or relating to the swim fins described in any of the applications described below; and together with all of Guarantor's proprietary information relating to the manufacture, use and/or sale of the foregoing and/or products resulting from the foregoing, including without limitation, sizing and design information, complete manufacturing drawings (whether on paper, in digital format and/or other conventional media), descriptive literature, and suggested list of vendors, suppliers and subcontractors with supporting documentation:
