Patent Assignment

WHEREAS, **DELTA ELECTRICAL LIMITED**, a company registered in The United Kingdom, with a registered office at Bridewell Gate, C/O Delta PLC, 9 Bridewell Place, London, EC4V 6AW, United Kingdom ("Assignor"), is the owner of the entire right, title, and interest in and to the United States Patents on the attached Exhibit A and the inventions and improvements therein disclosed; and

WHEREAS, **EATON ELECTRIC LIMITED**, a company registered in The United Kingdom, with a registered office at (P.O. Box 22) Norfolk Street, Worsley Road North, Worsley, Manchester, M28 3ET, United Kingdom ("Assignee"), is desirous of acquiring the entire right, title, and interest in and to the United States Patents on the attached Exhibit A and the inventions and improvements therein disclosed;

NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration paid to Assignor by said Assignee, receipt whereof Assignor hereby acknowledges, Assignor does hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said Patents and the inventions and improvements therein disclosed for the United States and all foreign countries and regions and any Patents which may issue therefor in the United States and all foreign countries and regions and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Patents and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Patents in accordance herewith. Assignor covenants that it is the lawful owner of said Patents and the inventions and improvements therein disclosed, that the same are unencumbered, and that Assignor has the full right to make this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said Patents and the inventions and

improvements therein disclosed and legal equivalents in foreign countries and regions as may be known and accessible to Assignor and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said Patents and the inventions and improvements and said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes thereof.

This Patent Assignment shall be binding upon the successors and assigns of said Assignor and shall inure to the benefit of the successors and assigns of said Assignee.

The undersigned person certifies that he/she is authorized to sign this Patent Assignment on behalf of said Assignor.

IN WITNESS WHEREOF, Assignor has caused this instrument to be executed by its duly authorized officer or attorney in fact this 13~~th~~ day of July, 2007.
