PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (this "Agreement"), effective as of November 30, 2006 (the "Effective Date"), is made by and between General Shelters of Texas, S.B., Ltd., a Texas limited partnership ("Assignor") and Port-A-Cool, L.L.C., a Delaware limited liability company ("Assignee").

WITNESSETH:

WHEREAS, Assignor is the owner of all right, title and interest in and to the Patents listed on Exhibit A to this Agreement (the "Patents"), the patent application filed with the United States Patent and Trademark Office listed on Exhibit A (the "Application"), and the inventions for which such Patents and Application have been based (the "Inventions"); and

WHEREAS, in connection with that certain Contribution, Purchase, and Sale Agreement entered into and effective as of November 30, 2006 (the "Contribution Agreement"), Assignee desires to acquire, and Assignor has agreed to assign, all of Assignor's right, title and interest in and to the Inventions, the Application, and the Patents;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Pursuant to the Contribution Agreement, Assignor hereby assigns, transfers and conveys unto Assignee all of Assignor's right, title and interest in and to the Inventions, the Application, and the Patents and all reissues, substitutions, reexaminations, divisions, continuations, continuations-in-part, foreign counterparts, and extensions thereof, including without limitation (i) the right to file and prosecute applications and obtain patents, utility models, industrial models and designs for said Inventions in its own name, (ii) all rights of priority, (iii) all rights to publish cautionary notices reserving ownership of said Inventions, (iv) all rights to register said Inventions in appropriate registries, (v) the right to exclusively control the resolution of any existing disputes or litigation regarding the Inventions, the Application, or the Patents, and the right to any and all damages and profits recovered as a result thereof or in connection therewith, and (vi) the right to recover damages and profits for past infringement thereof.

2. Assignor agrees, at Assignor's expense (including, without limitation, the payment of all reasonable and related attorneys' fees), to prepare, execute and deliver all other agreements, confirmations of assignment, and documents as may be reasonably necessary in Assignee's opinion to effectuate the assignment of the Marks and to satisfy the intent set forth in this Agreement.

3. This Agreement shall be governed by and construed in accordance with the laws of the United States of America and the State of Texas.

[Intentionally left blank. Signature page to follow.]

IN WITNESS WHEREOF, Assignor has executed this Assignment effective as of the date first above written.
