ASSIGNMENT

WHEREAS, we, **Stephen Denker of Mequon, Wisconsin, Cherik Bulkes of Sussex, Wisconsin, and Arthur J. Beutler of Greendale, Wisconsin** have made certain inventions which are described in the patent applications listed in Schedule A hereto, and

WHEREAS, **Kenergy, Inc.** (hereinafter referred to as said Company), a Wisconsin corporation having a place of business at **2130 West Columbia Drive, Mequon, Wisconsin 53092** is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, all foreign countries and under all international agreements in and to said inventions, the patent applications listed in Schedule A hereto, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Patents granted upon the patent applications listed in Schedule A by the United States, by any other country or under any international agreement. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of a Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hand and seal on the date indicated with our signatures.
