ASSIGNMENT OF INTELLECTUAL PROPERTY

WHEREAS, **John S. Srokose**, an individual with an address at 19600 E. Lake Drive, Miami, Florida 33015, and **Lyndley A. Williams**, an individual with an address at 3012 Dolphin Drive, Miramar, Florida 33025 (the "**Assignors**") are the owners of all right, title and interest in and to intellectual property related to and used in connection with the operation of the business of South Florida Plastics, Inc., (when used herein solely to refer to the operation of the business, the "**Business**") including but not limited to United States Patent No. 6,029,858 (Jug and Method) dated February 29, 2000, Internet domain names, Internet domain name registrations, trademarks, trademark registrations, trademark applications, trade dress, trade names, copyrights, copyright registrations, and trade secrets, including but not limited to those trademarks, trademark applications, trademark registrations, Internet domain names, and Internet domain name registrations listed on Exhibit A, attached hereto and incorporated herein by reference (collectively, the "**IP**"), and all common law rights therefor and all goodwill of the Business connected with the use of, and symbolized by any and all of the IP; and

WHEREAS, **South Florida Plastics, Inc.**, a Florida corporation with an address at 13245 NW 47 Avenue, Opa Locka, Florida 33054 ("the **Assignee**"), is desirous of acquiring all right, title and interest in and to the IP, together with all common law rights therefor and goodwill of the Business connected with the use of and, symbolized by the IP;

NOW THEREFORE, in consideration for the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto agree as follows:

1. Assignors hereby sell, set over, assign, grant, deliver, transfer and convey to Assignee, its successors, legal representatives and assigns:

(a) all right, title and interest in and to all the IP, including, but not limited to, all applications and registrations therefor in all jurisdictions, together with any renewals or extensions thereof, and all common law rights therefor and all goodwill of the business connected with the use thereof, and symbolized thereby; and

(b) all products and proceeds of the foregoing, including, without limitation, the right to petition, sue or otherwise seek and recover damages, profits and any other remedy (monetary, injunctive, declaratory or other), for any past, present or future infringement, dilution, conversion or misappropriation of, or other injury, offense, violation, breach of duty or wrong relating to the IP, or any license, agreement, contract or other matter relating thereto.

2. Assignors hereby agree to authorize and request the Commissioner of Patents and Trademarks of the United States of America and the appropriate officers of all other jurisdictions in which any of the IP is registered or in which an application for registration of one or more of the IP is pending, to record the title of Assignee, its successors, legal representatives and assigns, as owner of all right, title and interest in and to the IP, together with all goodwill of the business associated with and symbolized by the IP, and to issue the Certificate of Registration resulting from any such application for registration of the IP or renewal of any existing registration of the
