Assignment

WHEREAS, WE, WILLIAM H. BRINE, III, residing at 37 Blueberry Lane, Hopkinton, MA 01748, a citizen of the United States of America, and BARCLAY MOORE, residing at 6590 McKinney Court, Homewood, CA 96141, a citizen of the United States of America, are the inventors of an invention entitled ARTICULATED LACROSSE STICK, for which we have filed an application for Letters Patent of the United States bearing Serial No. 10/800,560 and having a filing date of March 15, 2004; and;

AND WHEREAS Sport Helmets, Inc., having a place of business at 4635 Crossroads Park Drive, Liverpool, NY 13088, hereinafter called the "assignee", is desirous of acquiring the entire right, title, and interest in and to the invention and any corresponding applications for United States Letters Patent, including any provisional and non-provisional applications;

NOW, THEREFORE, for good and valuable consideration paid to us by said assignee, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said assignee the entire right, title, and interest in and to the invention and any corresponding applications for United States Letters Patent, including any provisional and non-provisional applications for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries and all divisions, reissues, continuations, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

We covenant that we are the lawful owners of the inventions, that they are unencumbered, that no license has been granted to make, use, or vend the inventions, and that we have the full right to make this assignment.

And for the consideration aforesaid, we agree that we will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon our heirs, executors,

administrators, and/or assigns, and shall inure to the benefit of the heirs, executors,
administrators, successors, and/or assigns, as the case may be, of said assignee.
