Docket No.: 076302-0022

### ASSIGNMENT

WHEREAS I, Beate Rist, of Salem, Germany, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled METHODS FOR ISOLATING AND LABELING SAMPLE MOLECULES, and filed concurrently herewith;

OR

for which an application for United States Letters Patent was filed on November 14, 2003, and identified by United States Application No. 10/477,619 and having an international filing date of May 14, 2002; and for which a Patent Cooperation Treaty application was filed as Serial No. PCT/US02/15500, having an international filing date of May 14, 2002;

AND WHEREAS, University of Washington, a corporation of the State of Washington and having an address of 4311 11th Avenue NE, Suite 500, Seattle, WA 98105, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto University of Washington, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including the right of priority and including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND I request the Commissioner for Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said University of Washington, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
