ASSIGNMENT

WHEREAS, we, Michael R. Spencer of Hubbard, Nebraska, Marion Craig Padgett of Omaha, Nebraska, Kelly Kneifi of Hartington, Nebraska and Ryan Rusher of Yankton, South Dakota, have invented certain new and useful improvements in QUICK RELEASE CLAMP FOR TONNEAU COVER, for which a utility patent application has been made, said application which may be identified in the United States Patent & Trademark Office by Application No. ____________, filed ______________.

WHEREAS, Shur Company ("Assignee"), a business entity organized and existing under the laws of the United States, and having its principal offices at 2309 Shur-Lok Street, P. O. Box 713, Yankton, South Dakota 57078, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar ($1.00) and other good and valuable consideration to me in hand paid by said Assignee, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said invention, said utility application, all applications claiming priority to said utility application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

We hereby authorize the above mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the filing date and application number of said application when ascertained.

We further authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration we do hereby covenant and agree with the said Assignee, its successors and assigns, that we will not execute in writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any
