THIS ASSIGNMENT AGREEMENT (the "Agreement"), effective as of _____, 2006 ("Effective Date"), is entered into by and between, Pradeep P. Achanan individual residing at Kochi, Kerala ("Assignor") and Mata Amritanandamayi Center, a non-profit organization located at 10200 Crow Canyon Road, Castro Valley, CA 94552, United States ("MAC");

WHEREAS, MAC is an independent U.S.-based non-profit organization organized under the non-profit laws of the State of California;

WHEREAS, MAC is engaged in the promotion and advancement of the charitable, humanitarian, educational and spiritual activities;

WHEREAS, Assignor has developed certain intellectual property rights in connection with Assignor's association with MAC and any

and all affiliates thereof; from _____ onwards.

WHEREAS, Assignor now desires to assign all rights – past, present and future that he/she may have in the said intellectual property rights, to MAC; which assignment MAC wishes to accept as an assignee to such assignment;

WHEREAS, the parties now enter into this Agreement to govern the terms of the said assignment;

NOW THEREFORE, for good and valuable consideration, including the terms set forth herein and for one U.S. dollar (\$1.00) or Indian Rupees Fifty (INR 50.00), whichever is higher at the time of signing this agreement, the receipt and sufficiency whereof is hereby acknowledged, intending to be legally bound, the parties agree as follows:

PATENT

REEL: 019896 FRAME: 0635

1. Definitions

1.1. **"Intellectual Property Rights"** shall include Inventions, Trademarks and Copyrights as defined in this Agreement.

1.2. **"Inventions"** shall mean all inventions, and all patents and patent applications corresponding to such inventions, including without limitation, any provisional, non-provisional, continuation, continuation-in-part, division, renewal, extension, substitute, reexamination, reissue thereof, all treaty and convention rights and all rights of priority arising from the aforesaid applications, all United States, India, and international patent applications claiming priority there from.

1.3. **"Trademarks"** shall mean all trademarks, service marks, trade dress, common law marks, logos, together with all translations, adaptations, derivations, and combinations thereof and including all goodwill associated therewith, and all applications, registrations, and renewals in connection therewith.

1.4. **"Copyrights"** shall include all registered and unregistered copyrights, all rights to computer software commonly referred to as code, design and technical documentation and reports, diagrams, database information, mask works, and all applications, registrations, and renewals in connection therewith.

1.6. **"Moral Rights"** shall take the meaning assigned to it below in Section 2.3.

2. Assignments

2.1. **Patent Assignment.** Assignor hereby sells, assigns, conveys and transfers to the MAC Assignor's entire right, title, and interest in and to the Inventions (throughout the world and in perpetuity) including any improvements based

on the Inventions, and MAC accepts this assignment. As part of this assignment, Assignor acknowledges that the MAC shall have the right to make application for and to receive Letters Patent for any patents in any country throughout the world, and to receive Letters Patent in MAC's name covering the Inventions.

2.2. **Trademark Assignment.** Assignor hereby sells, assigns, conveys and transfers unto MAC, of all of Assignor's right, title, and interest in and to the Trademarks (throughout the world and in perpetuity), including, all applications, registrations, and all common law rights, together with the business to which the

Trademarks pertain, the goodwill symbolized by use of the Trademarks.

2.3. **Copyright Assignment.** Assignor hereby sells, assigns, conveys and transfers to MAC, Assignor's entire right, title and interest in and to the Copyrights (throughout the world and in perpetuity), including any derivative works based on the Copyrights.

2.3 **Copyright Assignment (continued from first page).** For greater certainty, the rights herein assigned include, without limitation, the right to distribute and present the Copyrights in any medium now known or hereinafter developed. Assignor's assignment hereunder of its rights in the Copyrights to MAC further includes, without limitation, all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as moral rights and the like ("**Moral Rights**"). To the extent such Moral Rights cannot be assigned under applicable law, and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, Assignor, hereby waives such Moral Rights in and to the Copyrights and consents to any action of MAC that would violate such Moral Rights in the absence of such consent.

2.4 **HMIS Assignment.** Assignor's assignment of Intellectual Property Rights under Sections 2.1, 2.2 and 2.3 above expressly includes, among other materials, any and all rights (including, all patent, copyright and trademark rights) that the Assignor has, or may have in the future, in the so-called Healthcare Management & Information System ("**HMIS**"), including, the invention and improvements covered under related U.S. Patent Application bearing Serial No. 10/799,042 for a "System and Method for Healthcare Information Systems".

such right, title and interest in and to the Intellectual Property Rights and all future derivative works and improvements thereto, including all uses in all media now known or in the future developed in any jurisdiction and all lawful means and forms of exploitation now known or in the future developed in any jurisdiction. Assignor acknowledges that notwithstanding the provisions of Section 19(4) of the Copyright Act of India (1957), MAC's Intellectual Property Rights under this Agreement shall not lapse nor shall the rights of MAC revert to Assignor or any third-party claiming on behalf of Assignor even if MAC or MAC's assigns do not exercise their rights with a period of one (1) year of the Effective Date of this or any subsequent assignment.

3. Recordation

3.1. **Recordation.** Assignor agrees to cooperate in executing any further documents necessary for recordation in any governmental office or agency and/or to otherwise give effect to the purpose of the assignments of Inventions, Trademarks and Copyrights contained above, including, without limitation, complying with all requests and instructions, and any requests for documentation required by any intellectual property office, and promptly executing and delivering all documents requested by MAC and required by such intellectual property office.

4. Miscellaneous

4.1. **Successors.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and to their respective successors and assigns.

4.2. **Counterparts.** This Agreement may be executed in one (1) or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument.

4.3. **Choice of Law.** To the extent state law controls this Agreement over U.S. Federal law, this Agreement shall be governed by, and construed in accordance with, the internal law of the State of California, without reference to its conflict of law principles. Each of the parties to this Agreement waives any objections against and agrees to submit to the personal jurisdiction of the federal and state courts located in the State of California.

4.4. **Entire Agreement.** This Agreement shall constitute the entire agreement between the parties hereto concerning the subject matter hereof. This Agreement shall supersede all

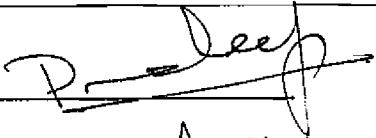

previous negotiations, proposed agreements, whether written or oral. This Agreement shall not be modified or altered in any way except by instrument in writing executed by the parties.

4.5. **Waiver.** The failure of any party hereto to enforce at any time the provisions of this Agreement shall in no way be construed to be a waiver of such provisions, nor in any way to effect the validity of this Agreement, or any part hereof, or any right of any party thereafter enforcing each and every provision, no waiver or any breach of this Agreement shall be held to be a waiver of any of the subsequent breach.

4.6. **Severability.** If any term, clause or provision of this Agreement shall be judged to be invalid, the validity of any other term, clause or provision shall not be affected, and such invalid term, clause or provision will be deleted from this Agreement.
