ASSIGNMENT

THIS ASSIGNMENT, made by me, Parag V. Karmarkar, a citizen of India, residing at 7660 Woodpark Lane #401, Columbia, Maryland 21046;

WITNESSETH: That,

WHEREAS, I am the sole inventor of certain new and useful improvements in **MRI Systems Having MRI Compatible Universal Delivery Cannulas with Cooperating MRI Antenna Probes and Related Systems and Methods**, for which the national stage filing in the United States was submitted on January 24, 2007 and accorded U.S. Application No. 11/572,629; and

WHEREAS, **Surgi-Vision, Inc.**, a Delaware corporation having a principal place of business at 200 N Cobb Parkway, Suite 140, Marietta, Georgia 30062, hereinafter referred to as assignee, is desirous of acquiring the entire right, title, and interest in and to said invention as described in said provisional application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby request that said Letters Patent be issued in accordance with this assignment.

I further covenant and agree that, at the time of the execution and delivery of these presents, I possess full title to the invention and application above-mentioned, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to communicate to said assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal
