ASSIGNMENT

Targus, Inc. of Anaheim, California, has an ownership interest in invention(s), embodiments of which are described in a United States Application entitled IMPACT PROTECTION SYSTEM FOR CARRYING CASE, Serial No. 10/983,623, filed on November 9, 2004, (hereinafter "the Invention").

Targus Group International, Inc. of 1211 North Miller Street, Anaheim, California 92806, (hereinafter "the Assignee"), desires to secure the entire right, title and ownership interest in invention(s), and in and to the Application and to any and all United States Letters Patents that may be granted and issued therefor.

For good and valuable consideration, the receipt and sufficiency of which Targus, Inc. acknowledges, Targus, Inc. HEREBY HAS ASSIGNED AND DOES ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in the Invention in the Application, and in the Application and all divisions, continuations and continuations-in-part of the Application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on the Invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for the Protection of Industrial Property for such applications.

Targus, Inc. authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on the Invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the Assignee, its successors, assignees and legal representatives.

Targus, Inc. will, without further consideration and without expense to the Assignee, sign all lawful papers and to perform all other lawful acts which the Assignee may request of Targus, Inc. to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on the Invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Targus, Inc.'s ability in the execution of all lawful documents, the production of evidence or testimony, nullification, reissue, reexamination, interference, extension, or infringement proceedings and any and all pre- and post-grant proceedings be they domestic or foreign involving the Invention.

This assignment and agreement shall be binding upon Targus, Inc.'s heirs and legal representatives.

DATED this 16 day of October, 2007.
