**ASSIGNMENT**

THIS ASSIGNMENT, made on the date set forth below by **FOX-TEK, INC.**, a corporation duly organized under and pursuant to the laws of Canada, having its principal place of business at **4580 Dufferin Street, Suite 402, Toronto, ON, M3H 5Y2, CANADA** (hereinafter referred to as the assignor), witnesseth:

WHEREAS, said assignor is the owner by assignment of the U.S. patent properties identified in Appendix A hereto (hereinafter referred to as the **PATENT PROPERTIES**);

WHEREAS, **FIBER OPTICS SYSTEMS TECHNOLOGY, INC.**, a corporation duly organized under and pursuant to the laws of Canada, having its principal place of business at **4580 Dufferin Street, Suite 402, Toronto, ON, M3H 5Y2, CANADA** (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to the same in the United States;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the said assignor has sold, assigned, transferred and set over, and by these presents does sell, transfer and set over, unto the assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the **PATENT PROPERTIES**, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term

or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made, including without limitation the right to sue for past, present or future infringement..

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignor is the sole and lawful owner of the entire right, title and interest in and to the said inventions and the application for Letters Patent above-mentioned, and that the same are unencumbered and that the said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that the said assignor will, whenever counsel of the said assignee or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, that any division, continuation or continuation-in-part of any application for Letters Patent, or reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to the said assignors, its successors, legal representatives and assigns, but at the cost and expense of the said assignee, its successors, legal representatives and assigns.

Docket No.: 115354.00100

The undersigned hereby grant the firm of BLANK ROMIE LLP the power to insert on this Assignment any further identification, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
