## ASSIGNMENT

Pursuant to my obligation to Bemis Manufacturing Company (hereinafter referred to as "Assignee"), a Wisconsin corporation having its principal place of business at:

300 Mill Street  
Sheboygan Falls, WI 53085

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Francesco Carra Lucchini  
Via Pietro Francesco Guala, 126  
10135 Torino, Italy

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest -

(1) in and to a new, original and ornamental design entitled "TOILET SEAT HINGE" for which I have executed a design Patent Application Serial No. 29/295,561, filed October 1, 2007 (Atty. File No. 015005-9522-00);

I hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the serial number and filing date of my application after execution of this Assignment.

(2) in and to said design patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, and reissue applications) , and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications or design registrations corresponding to the Application filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the design patent application and agree that any patent applications or design registrations of any foreign countries which may be filed shall be filed in the name of my Assignee with a claim to priority based on said design application.

And I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said design patent or patents to Assignee.
