ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned OMUR M. SEZERMAN whose full post office address is 18 Tanner Crescent, Kanata, Ontario, Canada K2K 2M7.

HEREBY sells, assigns and transfers to OZ OPTICS LTD. (hereinafter "Assignee") whose full post office address is P. O. Box 11218, Station H, Nepean, ON K2H 7T9, Canada, their successors, assigns and legal representatives, his entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, Serial No. 11/606,986 filed June 5, 2007, entitled "DISTRIBUTED BRILLOUIN SENSOR SYSTEM BASED ON DFB LASERS USING OFFSET LOCKING" and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements.

AGREES that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof, and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

COVENANTS with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

Signed at Kanata, Ontario, Canada this 31st day of August 2007.
