- WORLD WIDE PATENT ASSIGNMENT -

WHEREAS, Larry Berges, having a residence address of 221 Wilree Drive, New Iberia, LA 70560, and Steve Bullard, having a residence address of P.O. Box 727 Loreauville, La. 70552, (hereinafter termed the "Inventors"), are the inventors of a certain new and useful "Ocean Bottom Cable Handling System" (hereinafter termed the "Invention") for which there is being made application for Utility Patent with the United States Patent Office;

WHEREAS, Regional Fabricators, Inc, A Louisiana Corporation (hereinafter termed Regional Fab), having a principle place of business at Diver Drive, Port of Iberia, New Iberia, Louisiana, is desirous of acquiring the entire right, title and interest in and to said Invention and in and to any Letters Patent that maybe granted therefor in the United States and its territories and in any and all foreign countries on said Invention, along with any continuations, divisions, extensions, or reissues, including all patents domestic and foreign;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to each of the Inventors in hand paid, the receipt and sufficiency of which is hereby acknowledged, and other good and valuable consideration, the Inventors have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Regional Fab, the full and exclusive right to the said Invention in the United States and its territorial possessions and in all foreign countries, including all rights under International Convention, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions,

reissues, renewals, continuations, continuations-in-part, substitutions and extensions thereof. Further, the Inventors hereby authorize and request the Patent Officials in the Patent Cooperation Treaty, the United States Patent Office, and all foreign countries to issue any and all of said Letters Patent, when granted, to said Regional Fab, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said Regional Fab, its successors and assigns.

Further, each of the Inventors will communicate to said Regional Fab and its representative(s) any facts known respecting said Invention, and testify in any legal proceedings, sign all lawful papers, execute all divisions, reissues, renewals, continuations, continuations-in-part, substitutions and extensions thereof.
