Docket No. 573878012US1

ASSIGNMENT

WHEREAS WE, Grigore Axinte of Kent WA, Russell Borgmann of Bellevue, WA, Jeff Campbell of Bellevue, WA, Kevin O'Doherty of Kowloon Bay, Hong Kong, Billy Liu of Kowloon Bay, Hong Kong and John Lu of Renton, WA have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled SOLDERING IRON, for which an application for United States Letters Patent was filed on December 11, 2006 and identified by United States Serial No. 29/269,984;

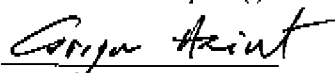

AND WHEREAS, Hyperion Innovations, Inc., having an address of 1750 112th Avenue NE, Suite C-100, Bellevue, Washington 98004, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, WE do hereby sell, assign, transfer and set over unto Hyperion Innovations, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application and any modifications and/or improvements therefor (hereinafter "invention"), any patent applications in the United States and foreign countries, including Design Application No. 29/215,192 filed October 13, 2004, and any original applications, formal applications, continuation applications, continuations-in-part applications, request for continued examination applications, divisional applications, reissue applications, re-examinations or extensions thereof, and in all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said invention, and all rights of action and damages for any past, present or future infringement relating thereto; including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, We hereby agree with the said assignee that WE will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representative of assignor and assignee;

The undersigned hereby grant(s) the firm Perkins Coie LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

AND We request the Commissioner for Patents to issue any Letters Patent of the United States which may be issued for said invention to said Hyperion Innovations, Inc., its legal representative, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent(s) and the invention covered thereby.
