ASSIGNMENT OF PATENT APPLICATION

Whereas, **William J. Stack** has invented certain new and useful improvements for which the following United States patent application is being filed: **Portable Food Cooling Device**, serial number and filing date not yet known.

Whereas, **Stackley Devices, LLC**, a New Jersey limited liability company, of 17 Geraldine Road, East Windsor, NJ 08520, has acquired the full and exclusive ownership of said invention and the entire right, title, and interest in and to the above-identified United States patent application.

I therefore authorize and request the Director of the United States Patent and Trademark Office to transfer said United States patent application to **Stackley Devices, LLC**, for its sole use and benefit and for the use and benefit of its legal representatives, to the full end of the term for which the United States Patents are granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

William J. Stack

State of New Jersey)
) SS:
County of *MERCER*)

Before me personally appeared William J. Stack and he acknowledged the foregoing instrument as his free act and deed this 10 day of October, 2007.
