Patent Assignment

1. **WHEREAS**, Heftel Creations, Inc., a Missouri corporation having a business address of P.O. Box 3928, Chesterfield, Missouri 63006 (hereinafter referred to as "Heftel") owns the following patent and the invention disclosed therein:

Article for Holding Accessories (U.S. Patent No. 5,626,503)

2. **AND, WHEREAS**, Progressive Products International, Inc., a Missouri corporation having a business address of P.O. Box 3948, Chesterfield, Missouri 63006 (hereinafter referred to as PPI), is desirous of acquiring the entire right, title and interest of Heftel in said patent and said invention;
3. **NOW, THEREFORE**, for ten dollars (\$10.00) and other good and valuable consideration, receipt of all of which is hereby acknowledged, Heftel has agreed to and does hereby sell, assign, and transfer unto PPI, its successors and assigns, the entire right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said invention, said patent, any other patent applications (including provisional, non-provisional, divisional, continuing, or reissue applications) based in whole or in part on said patent or in whole or in part on said invention, any foreign applications based in whole or in part on any of the aforesaid patents or said patent applications or in whole or in part on said inventions, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said inventions or any part thereof;
4. **TO BE HELD AND ENJOYED** by PPI, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Heftel had this sale and assignment of said interests not been made;
5. **AND** Heftel hereby agrees on behalf of itself and its heirs, assigns, executors, and administrators, to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by PPI fully to secure to PPI its interest as aforesaid in and to said inventions or any part thereof, and in and to said several patents or any of them.
6. **IN WITNESS WHEREOF**, Heftel has caused these presents to be executed by its officer thereunto duly authorized.
