ASSIGNMENT

WHEREAS, I, DON M. HANNEGAN, am the sole inventor of the invention disclosed in U.S. non-provisional patent application filed of even date herewith entitled "UNIVERSAL MARINE DIVERTER CONVERTER", and

WHEREAS, WEATHERFORD/LAMB, INC., a corporation created and existing under and by virtue of the laws of the State of Delaware, is desirous of acquiring the entire right, title and interest in and to the aforesaid invention in all countries throughout the world , and all right, title and interest in, to and under any and all patent protection for any and all countries ;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign, transfer and set over to WEATHERFORD/LAMB, INC., all right, title and interest in and to the said invention in all countries throughout the world , and any and all patent applications claiming priority from said provisional patent application, including non-provisional applications, and divisions, continuations, reexaminations and reissues thereof, and any and all Letters Patents in all countries throughout the world which may be granted therefor, the same to be held and enjoyed by WEATHERFORD/LAMB, INC. for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patents are or may be granted, reexamined or reissued, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

And I hereby authorize and request that any and all Letters Patents in all countries throughout the world on said invention and from any and all patent applications claiming priority from said non-provisional patent application and divisions, continuations, reexaminations and reissues thereof, issue to WEATHERFORD/LAMB, INC., as assignee of my entire interest in all countries throughout the world, and hereby covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith.

And I further hereby covenant and agree that I will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention and to such Letters Patents as may be granted therefor, to WEATHERFORD/LAMB, INC., its successors, assigns, or other legal representatives and that if WEATHERFORD/LAMB, INC., its successors, assigns or other legal representatives shall desire to file any patent applications claiming priority from said non-provisional patent application and divisional or continuation applications or to secure a reexamination or reissue of such Letters Patents, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

And I do further covenant and agree that I will, at any time upon request, communicate to WEATHERFORD/LAMB, INC., its successors, assigns or other legal representatives, such facts relating to said invention and Letters Patents or the file histories thereof as may be known to me, and testify as to the same in any interference or other litigation when requested so to do, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

EXECUTED THIS 15th day of October, 2007.
