**ASSIGNMENT**

For good and valuable consideration, and in accordance with our agreement with Bayer HealthCare LLC, a corporation of the State of Delaware, USA, we, the undersigned, hereby sell, assign and transfer to Bayer HealthCare LLC, its successors and assigns ("Bayer"), our entire right, title and interest in and to any and all inventions described in the application for United States Letters Patent that is being executed by us herewith and entitled:

**AUTO-CALIBRATION LABEL AND METHODS OF FORMING THE SAME**

and our entire right, title and interest in and to said patent application; any and all applications for patents in foreign countries based on said application, including the right to file patent applications under the provisions of any convention or treaty, and specifically, without limitation, the International Convention and the European Patent Convention, claiming the priority of said application; any and all divisional, continuation, continuation-in-part, reissue, extension, substitute, or other application based on any of the aforesaid applications; and any and all patents, or reissues, additions or extensions thereof, issuing from any of the aforesaid applications and having effect in the United States or any other country; and we authorize and request the issuing authority to issue any and all of the aforesaid patents to Bayer, as the assignee of the entire right and interest therein.

We further covenant and agree that we are the joint inventors of the aforesaid inventions; that we have the full right to convey the entire right in same to Bayer; that we have not executed and will not execute any instrument purporting to convey, mortgage, license, or otherwise transfer, in whole or in part, any interest in same to any party other than Bayer; that we, for ourselves and for our heirs, executors and administrators, will, at the request of Bayer, assign, execute, and deliver, without further consideration, except for incurred expenses, any and all further patent applications, declarations, oaths, assignments, powers of attorney, and other documents, and will perform such other lawful acts, that may be deemed necessary by Bayer fully to secure its interest in the aforesaid and/or to obtain, maintain, and enforce the aforesaid patents; that we shall, at the request of Bayer, provide any and all documents, material, and information that may be deemed necessary by Bayer to obtain, maintain, and enforce the aforesaid patents, including evidence for use in interference, opposition, reexamination, enforcement or validity litigation, or other legal proceedings in the United States or any other country or jurisdiction; and that we shall in general provide all information and do all things reasonable and necessary for securing to Bayer the full rights and benefits of its interest in the aforesaid inventions, application and patents.
