ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, I, Ramin Abhari, do hereby:

SELL, ASSIGN AND TRANSFER to **Syntroleum Corporation** (the "Assignee"), a corporation of the State of Delaware, having a place of business at **4322 S. 49th W. Ave., Tulsa, OK 74107**, the entire right, title and interest for the United States and all foreign countries in and to any and all improvements which are disclosed in United States Patent Application Serial No. 11/787,370, filed on April 16, 2007, and entitled: **PROCESS FOR PRODUCING SYNTHETIC PETROLEUM JELLY**, such application and all divisionals, continuations, continuations-in-part, designs, appeals, reissues, substitutions, renewals and extensions thereof and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested, to carry out in good faith the intent and purpose of this assignment, the undersigned will (1) execute all divisionals, continuations, continuations-in-part, designs, appeals, reissues, substitutions, renewals and extensions thereof and all other patent applications on any and all such improvements; (2) execute all rightful oaths, declarations, assignments, powers of attorney and other papers; (3) communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; (4) cooperate with the Assignee in any interference, opposition, dispute, or litigation involving any of the applications or patents for such improvements; and (5) generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements, provided Assignee agrees to pay all reasonable expenses related thereto actually incurred by the undersigned;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
