PATENT ASSIGNMENT

WHEREAS, **U.D. Testing, Inc.**, a corporation duly organized and existing under the laws of the State of Florida and having a mailing address at 535 US 41 By-Pass Box #272, Venice, Florida 34285, is the owner of the entire right, title and interest in, to and under of certain patents identified in Schedule A (the "Patents"); and

WHEREAS, **Scientific Innovations, Inc.** a corporation duly organized and existing under the laws of the State of Florida and having a mailing address at 535 US 41 By-Pass Box #272, Venice, Florida 34285, is desirous of acquiring the entire right, title and interest in, to and under said Patents and the inventions described therein.

NOW, THEREFORE, in consideration of separate agreements entered contemporaneously herewith and for other good and valuable consideration, the receipt of which is hereby acknowledged, **U.D. Testing, Inc.**, does hereby sell, assign and transfer to **Scientific Innovations, Inc.** the entire and undivided right, title and interest in and to the Patents, foreign equivalents, the inventions therein described, and all rights appurtenant thereto, including each of the following: the right to apply for any and all reissues, extensions, renewals, divisions, or continuations of letters patents granted for said inventions or upon said Patents, to the full end of the term or terms for which said letters patents may be issued; every priority or other right accorded by every international convention, treaty or agreement that is or may be predicated upon or arise from said inventions; and the right to bring actions for infringement of said Patents occurring prior to and after this Assignment, along with the right to all remedies, including damages, resulting from such infringement, wherein said Patents are all to be held and enjoyed by **Scientific Innovations, Inc.**, and its successors and assigns, all the same as **U.D. Testing, Inc.** would have held and enjoyed had this Assignment not been made.

AND, **U.D. Testing, Inc.** hereby represents and warrants that there are no outstanding rights or interest inconsistent with the rights and interests granted herein and covenants that it will not execute, grant, or transfer any rights or interests inconsistent herewith.

AND, **U.D. Testing, Inc.** binds itself, and its successors and legal representatives to execute and deliver to **Scientific Innovations, Inc.**, and its successors and assigns, any further documents or instruments and to perform any and all further acts that may be deemed necessary to enable **Scientific Innovations, Inc.**, and its successors and assigns, to vest in **Scientific Innovations, Inc.**, and its successors and assigns, the title herein conveyed and intended to so be, and to enable such title to be recorded.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed and delivered as of the dates written below.
