hereinafter called the "Assignee"), its successors, assigns and legal representatives, the entire right, title and interest, for all countries in or
and to certain inventions relating to Process to make Miniaturized Multipolar Flame-
Propagation-Resistant Cables having a Reduced Emission of Toxic and Noxious Gases
and described in an application for Letters Patent of the United States executed by us on even date herewith

and in and to said application, and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may
be granted thereon, and all reissues and extensions thereof, and all applications for Letters Patent which may be filed, and all Letters Patent
which may be granted, upon said inventions in any countries foreign to the United States, and all reissues, renewals and extensions thereof,
and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and all officials of countries
foreign to the United States having authority so to do, to issue all Letters Patent upon said inventions to the Assignee, its successors, assigns
or legal representatives or to such nominee as it may designate.

AND WE authorize and empower the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and
claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority
provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth
be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from US.

AND WE hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment,
consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said
Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of
Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND WE hereby covenant that WE have the full right to convey the entire right, title and interest herein assigned and
that WE have not executed and will not execute any agreement in conflict herewith.

AND WE hereby covenant and agree that WE will communicate to said Assignee, its successors, assigns and legal repre-
sentatives all facts known to US pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all
divisions, continuations and reissue applications, make all rightful oaths, and in general perform all lawful acts necessary or proper to aid said
Assignee, its successors, assigns and legal representatives or nominee in obtaining, maintaining and enforcing lawful patent protection for
said inventions in any and all countries.
