ASSIGNMENT

WHEREAS, we, David W. Bainbridge and L. Paul Nickerson, have invented certain new and useful improvements in protective padding for sports gear for which an application for United States Letters Patent entitled PROTECTIVE PADDING FOR SPORTS GEAR was filed on September 22, 1998 receiving Serial No. 09/158,088, which application can be further identified by Dorr, Carson, Sloan & Birney, P.C. Docket No. 2400/3; and,

WHEREAS, Fluid Applications, LLC, a Delaware limited liability company, with a place of business at 4755 Walnut Street, Boulder, Colorado 80301, is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

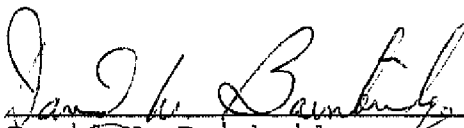

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) paid to us, the receipt thereof is hereby acknowledged, and other good and valuable consideration, we do sell, assign, and transfer to Fluid Applications, LLC, its successors, legal representatives, and assigns all right, title and interest in and to said invention in the United States and its territorial possessions and in all foreign countries and in all division, continuation, continuation-in-part, substitution, reexamination, reissue, and any other extension applications thereof and all Letters Patent that may issue thereon.

We hereby authorize and request the Patent and Trademark Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patents when granted to Fluid Applications, LLC as the assignee of the entire right, title, and interest in and to the same, for the use and

enjoyment of Fluid Applications, LLC, its successors, legal representatives, and assigns.

Further, we agree that we will communicate to Fluid Applications, LLC, or its representatives all facts known to us in regard to said invention, and testify in any legal proceedings, sign all lawful papers, execute all division, continuation, continuation-in-part, substitution, reissue, reexamination, and any other extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Fluid Applications, LLC, make all rightful oaths, and generally do everything necessary or desirable to aid Fluid Applications, LLC, its successors, legal representative, and assigns to obtain and enforce proper protection for said invention in the United States and in any foreign countries.

We hereby covenant that we have full right to convey the rights, titles, and interests assigned herein and that we have not executed and will not execute any agreement in conflict with this Assignment.
