ASSIGNMENT

The ASSIGNORS, Jing Wang, Xiaojin Li, Heinrich Enoch Bode

have invented certain new and useful improvements in

USE OF POLYOLS AS SCALE CONTROL REAGENTS IN THE MINING PROCESSES

an invention which is fully described in United States Patent Application executed of even date herewith; and

The ASSIGNEES, NALCO COMPANY, a DELAWARE corporation having its principal office at 1601 West Diehl Road, in Naperville, Illinois, 60563-1198, and ALBANY INTERNATIONAL CORP. a DELAWARE corporation having its principal office at 1373 Broadway, in Albany, New York 12204, wish to acquire the entire right, title and interest in and to the invention and under Letters Patent which may be obtained for this invention.

For valuable and legally sufficient consideration, receipt of which is hereby acknowledged, the Assignors hereby, assign, transfer and set over to Assignees, its successors and assign, the entire right, title and interest in and to the above-identified invention and patent application and all rights and privileges under any Letters Patent of the United States which may issue thereon.

The Assignors also assign, transfer and set over to Assignees the entire right, title and interest in and to the invention and any patent application and Letters Patent that may be granted thereon in all countries foreign to the United States, including all rights under the International Convention. The Assignors further authorize Assignees to apply for Letters Patent in foreign countries in the name of Assignees, and to claim the priority of the filing date of the United States Patent Application under the provisions of the International Convention.

The Assignors further agree to assist Assignees in the prosecution of the patent application before the United States Patent Office and the Federal Courts, and any other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignees elect to make covering the invention. The Assignors vest in Assignees like exclusive title in and to all such other applications and Letters Patent. The Assignors will execute and deliver to Assignees any documents which may be requested by Assignees to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue any and all Letters Patent of the United States to Assignees. The Assignors also authorize and request the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignees.
