ASSIGNMENT

WHEREAS, Baumer Electric AG (hereafter "Baumer Electric") having a place of business at Hummelstrasse 17, CH-8501 Frauenfeld, Switzerland has certain rights in certain inventions made by Daniel Brandle together with other inventors (hereafter "said inventions"), which are described in a U.S. Patent Application No. 11/893,842, filed August 17, 2007 and entitled **METHOD AND SENSOR FOR SENSING COINS FOR VALUATION**; and

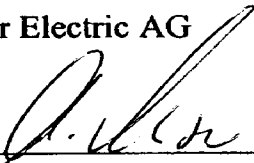

WHEREAS, De La Rue Cash Systems Inc. (hereinafter referred to as "said Company"), an Illinois corporation having a place of business at 705 S. 12th Street, P.O. Box 200, Watertown, WI 53094, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, Baumer Electric hereby sells, assigns and transfers unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid applications, all other applications hereafter filed in the United States, in any other country based on said PCT application, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and does hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said Letters Patent to said Company. Baumer Electric further grants to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

Baumer Electric hereby warrants that it has the full right to make the conveyance herein, and Baumer Electric hereby covenants that it will sign all lawful papers, and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, Baumer Electric has through its duly authorized representative hereunto set its hand and seal on the date indicated with its signatures.
