ASSIGNMENT

WHEREAS, I, the signatory hereto, have invented an improvement entitled "APPARATUS AND METHOD OF COLLECTING AND DISTRIBUTING EVENT DATA TO STRATEGIS SECURITY PERSONNEL AND RESPONSE VEHICLES", U.S. Serial No. 11/267,667, and have executed an application for United States patent based thereon on the date set forth below;

WHEREAS, e-Watch, Inc., of 7800 IH-10 West, 720 Lincoln Center, San Antonio, Texas 78230, U.S.A., a corporation duly organized and existing under and by virtue of the laws of the State of Nevada, U.S.A. is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, I have agreed to and do hereby sell, assign and transfer unto said corporation the entire right, title and interest in and throughout the world, in and to said invention, said application and any and all patent (including extensions thereof) of any country, which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, substitute or reissue application based in whole thereon, or based upon said invention, and without limiting the generality of the foregoing, I also do hereby sell, assign, and transfer unto said corporation all my rights under the International Convention and all other treaties of like purpose, in respect of said invention and application, and I authorize said corporation to apply for patents on said invention or any part thereof, in all countries, claiming the priority of the filing date of said application in the United States of America under the provisions of said International Convention or any such other treaty;

TO BE HELD AND ENJOYED by said corporation, its successors and assigns, to the full ends of the respective terms for which said patents or any of them have been or may be granted, as fully and entirely as the same would have been held and enjoyed by me had no sale, assignment or transfer of said right title or interest been made;

AND I do hereby authorize and request the Commissioner of Patents of the United States of America and the corresponding Officer of each country foreign thereto to issue any and all United States and foreign patents which may be granted upon said applications or any of them in the United States and all other countries, or upon said invention or any part thereof, to said corporation, its successors or assigns;

AND I hereby agree for myself and for my heirs, executors and administrators to execute without additional consideration any further lawful documents and any further assurances, and any applications for patents of any country, that might be deemed necessary by said corporation, its successors or assigns, fully to secure to said corporation, its interest as aforesaid in and to said invention or any part thereof, an in and

to said several patents or any of them, all, however, at the expense of said corporation, its successors or assigns.

AND I do hereby covenant for myself and my legal representatives, and agree with said corporation, its successors and assigns, that I have granted no right or license to make, use or sell said invention to anyone except said corporation, that prior to the execution of this deed my right, title and interest in said invention had not been otherwise encumbered, and that I have not executed and will not execute any instrument in conflict herewith.

Signed this 9th day of November, 2005.

David A. Monroe
