## Assignment to Foundry Networks, Inc.

In consideration of good and valuable consideration, receipt of which is hereby acknowledged, I/we

Charles A. Helfinstine and Chang-Pen Tai

do hereby sell, assign, and transfer unto Foundry Networks, Inc., a Delaware Corporation having its principle place of business at 4980 Great America Parkway, Santa Clara, CA 95054 U.S.A., and its successors and assigns, the entire right, title, and interest for the United States and all foreign countries, in and to any and all improvements, including the right of priority in, to, and under, the application for the United States patent entitled:

### **A System and Method For Dynamically Managing Groups of Power Supplies For a Computer System**

X filed herewith and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor, including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations, or extensions thereof; or

Serial No.: \_\_\_\_\_ filed on \_\_\_\_\_ and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore, including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations, or extensions thereof.

And for the above consideration, I/we agree promptly upon request of Foundry Networks, Inc., its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to Foundry Networks, Inc., its successors and assigns, the inventions described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of interference proceedings involving said inventions and in the adjudication or reexamination of said Letters Patent provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by Foundry Networks, Inc..

I/we further covenant with Foundry Networks, Inc., its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned;

In witness whereof, I/we hereunto set my/our hand(s):
