TUNGSTEN CARBIDE ENHANCED BEARING

for which we executed on August 22, 2007 an application for Letters Patent of the United States, Serial No. 11/842,994, and

WHEREAS, Roller Bearing Company of America, Inc., a Delaware corporation, having a place of business at One Tribology Center, Oxford, CT 06478 is desirous of acquiring an interest in said invention, said application and the Letters Patent to be issued therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the sufficiency of which is acknowledged by all parties, we have assigned and set over, and do hereby assign and set over to said corporation, its successors or assigns, the entire right, title and interest to and in said invention in the United States and in all countries foreign to the United States, said United States application for Letters Patent therefor and the Letters Patent when issued; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the Letters Patent based upon said application to said corporation as the assignees of our entire right, title and interest to and in the same, for the sole use and behoof of said corporation, its successors or assigns.

And we also hereby covenant and agree to sign all proper papers including divisional and other applications for patents and assignments thereof in the United States and application for patents and assignments in all foreign countries, and to execute all rightful oaths and to take any other proper action that may in the judgment of the said corporation be necessary for securing thereto full rights to said invention, all of the foregoing to be at the expense of said corporation.
