A S S I G N M E N T

WHEREAS, I, RICHARD A. PROULX, residing at Alta Loma, California, a citizen of the United States of America (hereinafter referred to as "ASSIGNOR"), have invented and own a certain invention entitled "FLEXIBLE CUTTING LINE FOR ROTARY TRIMMERS," the design of which is the subject of an application for Letters Patent of the United States of America has been executed on even date herewith;

WHEREAS, PROULX MANUFACTURING, INC., a corporation organized and existing under and by virtue of the laws of California and having its principal place of business at 11433 6th Street, Rancho Cucamonga, California 91730 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the exclusive right, title and interest in, to and under said invention and in, to and under any Letters Patent or similar legal protection to be obtained therefor in the United States of America, its territorial possessions and in any and all countries foreign thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over unto the said ASSIGNEE, its successors and assigns, the full and exclusive right, title and interest to said invention, said application and to all Letters Patent or similar legal protection, not only in the United States and its territorial possessions, but in all countries foreign thereto to be obtained for said invention by said application or any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof in the United States or a foreign country for the full term or terms for which the same may be granted, including all priority rights under the International Convention; and ASSIGNOR hereby authorizes and requests the Commissioner for Patents to issue said Letters Patent or any legal

equivalent thereof to said ASSIGNEE, its successors and assigns, in accordance with this Assignment.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said legal equivalents thereof in the United States or in any foreign country which may be necessary or desirable to carry out the purposes thereof.

EXECUTED at Rancho Cucamonga, California, U.S.A., this 21st day of November, 2007.
