ASSIGNMENT AGREEMENT

THIS ASSIGNMENT AGREEMENT, dated as of August 2, 2007 (this "Agreement"), is entered into by and among Gale Holdings I, Inc., a Delaware corporation ("Gale Holdings") and The Gale Group Inc. (the "Gale Group"), a Delaware corporation and a wholly-owned subsidiary of Gale Holdings;

WHEREAS, pursuant to the terms of the Assignment of Transferred Intellectual Property agreement, dated July 5, 2007, Thomson Global Resources, a corporation incorporated under the laws of the Republic of Ireland (the "Asset Seller"), conveyed, transferred, assigned and delivered to Gale Holdings the entire right, title and interest in and to the patents and patent applications set forth on Schedule A attached hereto, and all Letters Patents of the United States and all foreign countries which may or shall be granted on said patent applications, including any divisional, continuing, reissue or other applications based in whole or in part thereon (the "Patents"), including the right to recover for past infringement of the Patents (collectively, the "Assignment").

WHEREAS, Gale Holdings now desires to assign to Gale Group all of its rights and interests in the Patents that it acquired from the Asset Seller through the Assignment;

WHEREAS Gale Group agrees to accept all of the rights and interests that were subject of the Assignment upon the terms and conditions set forth in this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Gale Holdings hereby conveys, transfers, assigns and delivers to Gale Group its entire right, title and interest, acquired from the Asset Seller through the Assignment, in and to the patents and patent applications set forth on Schedule A attached hereto, and all Letters Patents of the United States and all foreign countries which may or shall be granted on said patent applications, including any divisional, continuing, reissue or other applications based in whole or in part thereon, including the right to recover for past infringement of the Patents.
2. Effective as of the date hereof, Gale Group accepts the assignment described in Section 1 above.
3. Gale Holdings hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office and any other similarly competent official in any other countries, jurisdictions or political entities of the world, to issue such Letters Patent as shall be granted upon said applications set forth on Schedule A attached hereto based thereon to Gale Group, its successors, assigns, legal representatives or nominees.

4. Following the execution of this Agreement, each party hereto shall, from time to time, execute and deliver such additional instruments, documents, conveyances or assurances and take such other actions as reasonably have been requested by the other party hereto to confirm and assure the rights and obligations provided for in this Agreement, render effective the consummation of the transactions contemplated hereby and to record and perfect the interest of Gale Group in and to the Patents.
