INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment dated as of October 23, 2007 (the "IP Assignment") is made and entered into between Defense Procurement/ Management Service, Inc., a Minnesota corporation ("Assignee"), and Randy E. Luth ("Assignor").

RECITALS

WHEREAS, Assignor owns all right, title and interest in and to such Assignor's patents and patent applications identified on Schedule A (collectively, the "Patents");

WHEREAS, Assignor owns all right, title and interest in and to such Assignor's trademarks and trademark applications for registration identified on Schedule B, and all goodwill associated therewith and symbolized thereby (collectively, the "Trademarks");

WHEREAS, Assignor desires to sell, assign and transfer, and Assignee desires to receive, the Assignor's Patents and Trademarks (collectively, the "Assignor's Intellectual Property").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

(1) Assignor hereby agrees to and does assign and transfer to Assignee the full and exclusive right, title and interest to all of Assignor's Intellectual Property, to have and to hold forever for the use and benefit of Assignee, including without limitation the right to sue and recover for past infringements.

(2) Assignor hereby represents and warrants that Assignor owns and possesses all right, title and interest in and to such Assignor's Intellectual Property.

(3) Assignor hereby represents and warrants that, to the best of Assignor's knowledge, each Patent and Trademark is valid and enforceable and no claim challenging the validity, enforceability, or ownership of any rights relating to Assignor's Intellectual Property has been asserted or, to Assignor's knowledge, are threatened by any person, nor are there any valid grounds for any bona fide claim of any such kind.

(4) Assignor hereby represents and warrants that, to the best of Assignor's knowledge, no Patent or Trademark infringes upon any intellectual property or other proprietary right of any person or entity, and no claim relating to the infringement of any such right has been asserted, or to Assignor's knowledge, is threatened by any person, nor are there any valid grounds for any bona fide claim of any such kind. To Assignor's knowledge, there is no material unauthorized use, infringement, or misappropriation of any of the Assignor's Intellectual Property by any third party, including any employee or former employee of Assignee.

(5) Assignor releases and waives all claims for infringement against Assignee of Assignor's Intellectual Property and hereby represents and warrants that Assignor will not bring suit for any activity relating to the use of Assignor's Intellectual Property.

(6) At Assignee's request, and without further consideration, Assignor shall execute or cause to be executed and deliver to Assignee any instrument of sale, transfer, conveyance, assignment and confirmation and take such other action as Assignee may reasonably deem necessary or desirable in order to effectively transfer, convey and assign to Assignee, and to confirm and evidence Assignee's title to, all of the Assignor's Intellectual Property, and, to the full extent permitted by law, to put Assignee in actual possession and operating control of the Assignor's Intellectual Property and to assist Assignee in exercising all rights with respect thereto.

(7) This IP Assignment shall be governed by and construed in accordance with the laws of the State of Minnesota applicable to a contract executed and performed in such State, without giving effect to the conflicts of laws principles thereof.

(8) This IP Assignment may be executed in one or more counterparts, any one of which need not contain the signatures of more than one party, but all such counterparts taken together will constitute one and the same instrument.
