Assignment

WHEREAS, I, Henry GEMBALA (hereinafter referred to as "ASSIGNOR"), have invented certain new and useful improvements in inventions set forth in the patent applications and patents as listed in Schedule A (the "Patents"), and am the owner of the entire right, title and interest in and to the Patents; and

WHEREAS, CONCRECEL USA, LLC, a Florida limited liability company (hereinafter referred to as "ASSIGNEE"), having a place of business at: 6751 North Federal Highway, Suite 302, Boca Raton, Florida 33431, is desirous of acquiring the full and exclusive right in and to said Patents and the entire right, title and interest in and to any and all Letters Patent which have been and may be granted therefor in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration (including, without limitation, the capital account credit ASSIGNEE is providing ASSIGNOR for contributing the Patents), I, by these presents do sell, contribute, assign and transfer unto said ASSIGNEE, the full and exclusive right in and to said Patents and the inventions described therein in the United States and its territorial possessions and in any and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which have been and may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, continuations, substitutions, renewals and reissues thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of said ASSIGNEE and said ASSIGNEE's successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said ASSIGNEE or said ASSIGNEE's representatives any facts known to me respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally, do everything possible to aid said ASSIGNEE, and said ASSIGNEE's successors and assigns, to obtain and enforce proper protection for said inventions in the United States and its territorial possessions and in any and all foreign countries.

The undersigned hereby grant(s) the firm of DLA Piper US LLP, 500 8th Street, NW, Washington, DC 20004-2131, the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
