PATENT ASSIGNMENT

WHEREAS, INTEGRATED POWER COMPONENTS, INC. (ASSIGNOR), a corporation of Illinois, is the owner of the Letters Patents and pending patent applications as shown on Schedule A attached; and is the owner of all rights, title and interest in and to the inventions illustrated, described and claimed in said Letters Patents and pending patent applications; and

WHEREAS, INTEGRATED POWER COMPONENTS, INC. (ASSIGNEE), a corporation organized under and pursuant to the laws of Virginia having its principal place of business at 8995 Jubal Early Hwy., Hardy, VA 24101, is desirous of acquiring the entire rights, title and interest in and to the aforesaid Letters Patents and pending patent applications.

NOW THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, said ASSIGNOR has sold, assigned and set over, and by these presents does hereby sell, assign and set over, unto the said ASSIGNEE, its legal representatives, successors and assigns, the entire rights, title and interest in and to each and every one of said Letters Patents and pending patent applications, and the inventions disclosed, described or claimed in said Letters Patents and pending patent applications, together with all divisions, reissues, continuations and extensions thereof, and any and all rights of recovery for past infringement of said Letters Patents and pending patent applications.

INTEGRATED POWER COMPONENTS, INC.

By W. Richard Frederick  
W. Richard Frederick, President

BEFORE ME, the undersigned authority, on this 2<sup>nd</sup> day of October, 2007, personally appeared W. Richard Frederick known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he/she executed the same of his/her own free will for the purposes and consideration therein expressed.

Gail A. Melton  
Notary Public

My Commission Expires October 31, 2009
