ASSIGNMENT – WORLDWIDE

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned individual (referred to herein as the "INVENTOR") hereby assigns, transfers, and sets over to:

Basshaunt Lake Development Corp.
(a corporation pursuant to the laws of Ontario, Canada)

having the following address:

Basshaunt Lake Development Corp.
295 Hagey Blvd. , Suite 300
Waterloo, Ontario N2L 6R5
Canada

(referred to herein as "COMPANY"), its successors, and assigns, the entire right, title, and interest, worldwide, in and to the invention known by the following title:

Infrared Food Warmer

for which the undersigned has been issued **U.S. Patent No. 6,297,481 B1** on **October 2, 2001**, based upon application for patent in the United States of America, Application Serial No. **09/204,407** filed **December 2, 1998**, together with said patent and patent application, all divisions, continuations, continuations-in-part, reissues, and extensions thereof, and all Patents (domestic and foreign) that may be granted therefor. Such interest represents the entire ownership of said Patent and applications and is to be owned by COMPANY, its successors, and assigns, or their legal representatives, for the full and entire term for which such Patent may be granted or extended, as fully and entirely as the same would have been enjoyed by the INVENTOR if this assignment had not been made.

In addition, the undersigned INVENTOR hereby agrees:

1. To sign and execute any further documents that may be necessary or desirable, lawful, and proper in connection with the prosecution of all applications for patent(s) on the INVENTION in the United States, including without limitation said application and all divisions, continuations, continuations-in-part, amendments thereof, and all interference proceedings associated therewith, or otherwise necessary or desirable to secure the title thereto to COMPANY;
2. To execute all papers and documents and to perform all lawful acts that may be necessary in connection with claims to priority or otherwise under the International Convention for the Protection of Industrial Property or similar treaties or agreements;
3. To perform all lawful affirmative acts that may be necessary to obtain and continue the grant of valid and enforceable patents to COMPANY.

The undersigned INVENTOR hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States to issue any and all Letters Patent resulting from said application, including without limitation any division, continuation, continuation-in-part, or reissue thereof to COMPANY.

The undersigned INVENTOR hereby grants to the firm of OSHA • LIANG LLP the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for the recordation of this document.
