Assignment

Whereas, I, Michael David MAY of Bristol, United Kingdom, hereinafter called assignor, have invented certain improvements in INTERFACE PROCESSOR and executed an application for Letters Patent of the United States of America therefor on March 14, 2007 (Application number 11/717,622 and Confirmation number 9696); and

Whereas, XMOS Ltd., of 5th Floor Alder Castle, 10 Noble Street, London, EC2V 7QJ, United Kingdom (assignee), desires to acquire the entire right, title, and interest in the application and invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

I, the above named assignor, hereby sell, assign and transfer to the above named assignee, its successors and assigns, the entire right, title and interest in the application and the invention disclosed therein for the United States of America, including the right to claim priority under 35 U.S.C. §119, and I request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and I will execute without further consideration all papers deemed necessary by the assignee in connection with the United States application when called upon to do so by the assignee.

Date:

6 August 2007

Michael David May

s/Michael David MAY
