A S S I G N M E N T

WHEREAS, Roland J. Christensen, as operating manager of RJC Development, LC, General Partner of the Roland J. Christensen Family Limited Partnership, a Limited Liability Company, having a business address of 192 East 100 North, Fayette, Utah 84630, (hereinafter "Assignor") owns the entire right, title and interest in the patents listed in Schedule A and

WHEREAS, Applied Composite Technology, Inc., a Utah corporation, having a business address of 425 East 400 North, Gunnison, UT 84634 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, said Assignor, hereby grants and assigns unto the said Assignee, the entire right, title and interest in said invention and in all patent applications based thereon, including but not limited to the above identified United States Patent Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign patent applications on said invention, and to do so in its own name wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

The United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, are authorized and requested to issue any and all Letters Patent on said invention to the said Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made.

This assignment and agreement shall be binding upon heirs and legal representatives.

Executed this 13th day of November, 2007 at Fayette (City, State).

Name: Roland J Christensen
Title: CEO - operating manager
(Assignor Company)

STATE OF Utah)
County of Sanpete : ss)

Before me personally appeared Roland Christensen and acknowledged the foregoing instrument to be his free act and deed this 13th day of Nov., 2007.
