This Assignment effective October 17, 2007, by John Chen, an individual, having a place of business at 67 2 Shun-An Street, Sindian City, Taipei, TAIWAN ROC 23143, (Assignor), to Willis Electric Co., Ltd., a Chinese corporation, having a place of business at 67 2 Shun-An Street, Sindian City, Taipei, TAIWAN ROC 23143, (Assignee).

WHEREAS, Assignor, is the owner of a new and useful invention entitled THREE DIMENSIONAL DISPLAYS HAVING DEFORMABLE CONSTRUCTIONS, for which an application for United States Letters Patent has been executed by him this date, said application being submitted for filing herewith;

WHEREAS, Assignor believes himself to be the present and rightful owner of the invention disclosed and claimed in said Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said inventions, said U.S. Patent and any subsequent Letters Patent that may be granted for said inventions in the United States and throughout the world;

NOW THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, the entire, right, title and interest in and to said inventions, said U.S. Letters Patent granted for said inventions in the United States and applications for said inventions throughout the world, including the right to file foreign applications directly in the name of the Assignee. This assignment includes the accrued right, title and interest from assignor to assignee to sue for past infringement damages;

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said inventions, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns to said inventions, said applications and any Letters Patent granted for said inventions in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said inventions, whether on now pending applications or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on this date written below.
