## ASSIGNMENT

WHEREAS, Kablooe Design Corp., a Minnesota business with a principal place of business at 9162 Davenport Street N, Minneapolis, Minnesota 55449, Thomas E. Kramer, residing at 11489 Blackfoot Street NW, Coon Rapids, MN 55433, and Fusu Thao, residing at 1046 Farrington Street, St. Paul, MN 55117 (Kramer and Thao being the "Inventors" and Kablooe and the Inventors collectively constituting "Assignors") wish to assign any rights they have in a patent entitled Multiple Therapy Delivery Platform Device for which an application for Letters Patent of the United States of America was filed on May 20, 2005, as United States Application No. 29/230,443, and issued as D551,769 on September 25, 2007; and

WHEREAS, MEDTRONIC, INC. a corporation organized and existing under the laws of the State of Minnesota and having a principal place of business at 710 Medtronic Parkway NE, Minneapolis, Minnesota 55432-5604 (hereinafter referred to as "Corporation") is desirous of acquiring the entire right, title and interest in and to said invention for the United States and for all foreign countries and in and to any and all foreign and domestic Letters Patent which may be granted therefor;

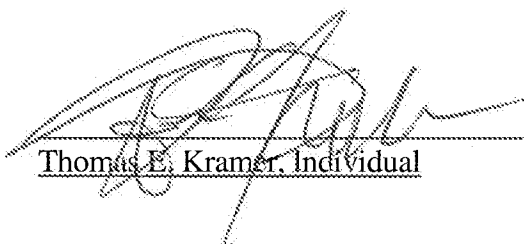

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, transferred and set over and by these presents do sell, assign, transfer and set over unto Corporation, its successors and assigns, the entire right, title and interest in and to said invention and the entire right, title and interest in and to any and all Letters Patent of the United States (including, without limitation, every patent application identified above) and any foreign countries which may be granted therefor including my rights under the International Convention for the Protection of Industrial Property, and in and to any and all extensions, divisions, continuations, continuations-in-part or reissues of said Letters Patent that may be granted, the same to be held and enjoyed by Corporation for its own use and benefit and use and benefit of its successors and assigns to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment and sale not been made, including without limitation the right to enforce the patent and collect damages for past and future infringement;

AND, for the consideration aforesaid, Assignors materially represent to Corporation, its successors and assigns, that at the time of the execution and delivery of these presents, Assignors are the lawful owners of the entire right, title and interest in and to the invention, application and Letters Patent above mentioned, and that the same are unencumbered, and that Assignors have good right and lawful authority to sell and convey the same in the manner herein set forth;

AND, for the consideration aforesaid, Assignors hereby individually covenant and agree to and with Corporation, its successors and assigns, that whenever its counsel or the counsel of its successors or assigns, learned in the law, shall advise that an amendment or division of, or continuation or any continuation-in-part thereof, or any other proceeding in connection with the filing or prosecution of said domestic or foreign patent applications, including interference proceedings, is lawful and desirable, or that a reissue of extension of said Letters Patent is lawful and desirable, Assignors, or our executors, administrators or assigns will sign all papers and

drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or extension of the same, without charge to Corporation, its successors or assigns, but at Corporation's expense.

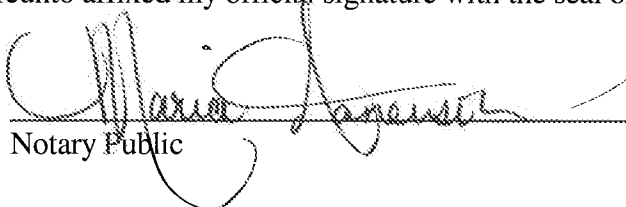

IN WITNESS WHEREOF, We have hereunto set my hand on this 20<sup>th</sup> day of DECEMBER, 2007.
