LEH CHU ENTERPRISE CO. LTD.

a corporation of Taiwan, with its principal place of business at 8F-2, No. 60-2, Taichung Industrial Park 1st Road, Hsitun District 407, Taichung, Taiwan (hereinafter "Assignee") does hereby sell and assign to said Assignee, LEH CHU ENTERPRISE CO. LTD., its successors and assigns, all right, title and interest, in and to:

US Patent No. 6,959,999, issued November 1, 2005, entitled Flashlight Having Manual Charging Device (hereinafter the '999 Patent);

US Design Patent No. D520,160, issued May 2, 2006, entitled Flashlight Device (hereinafter the '160 Design Patent); and

US Re-Issue Patent Application No. 11/582,949 filed October 18, 2006, entitled Flashlight Having Manual Charging Device (hereinafter the '949 Re-Issue Application)

owned by Assignor and all right, title and interest to the inventions described in the '999 Patent, '160 Design Patent, and '949 Re-Issue Application and all patents, divisions, reissues, continuations, continuations in part of the Patents throughout the World, and any extensions thereof, and rights of priority therein, and the right to sue for past infringement of the '999 Patent, '160 Design Patent, '949 Re-Issue Application and related patents said interest being the entire ownership interest in the '999 Patent, '160 Design Patent, and '949 Re-Issue Application, to be held and enjoyed by said Assignee, its successors, assigns, or other legal representatives, to the full end of the term thereof, as fully and entirely as the same would have been held and enjoyed if this assignment and sale had not been made;

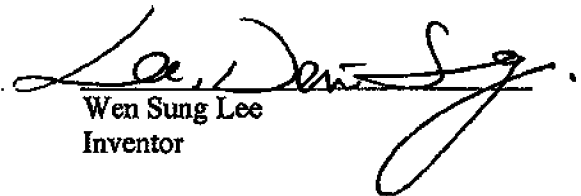

And for the consideration aforesaid, Assignor hereby covenants and agrees that whenever Assignee, its counsel or representative, or its successors and assigns, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with said '999 Patent, '160 Design Patent, and '949 Re-Issue Application, including interference proceedings, is lawful and desirable, or that a reissue or continuation or extension of such application or patent issuing therefrom is lawful and desirable, Assignor will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of all lawful rights associated with the '999 Patent, '160 Design Patent, and '949 Re-Issue Application, or for the reissue or continuation or extension of the same, will do all acts necessary or required to secure in said Assignee, its successors or assigns, the title to and full benefit of all rights hereby assigned, without charge to said Assignee or its successors or assigns, but at its or their expense; and Assignor hereby appoints every present or future officer of said Assignee, as Assignor's agent to sign all such papers and to do all such necessary acts on his behalf, to the fullest extent permitted by law;

And Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks and any other granting authority to issue any Letters Patent resulting from said '999 Patent, '160 Design Patent, and '949 Re-Issue Application and application(s) concerning same to said Assignee.

This assignment shall have an effective date corresponding to the last date of execution.

Wen Sung Lee declares under penalty of perjury under the laws of the United States of America, and under penalty of the laws of any other jurisdiction before which this document may be presented, that Wen Sung Lee has signed this document as his own free act and that all of the foregoing is true and correct.
