(hereinafter "Assignor(s)") have made an invention or discovery entitled COMPUTER WITH TWO OPERATING SYSTEMS for which application for Letters Patent of the United States has been executed on even date herewith (hereinafter "the invention");

WHEREAS ATI International SRL, organized under the laws of Barbados, having an office at Beaumont House, Hastings, Christ Church, Barbados, W.I. (hereinafter "Assignee") desires to acquire the entire interest in the invention;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and of other good and valuable consideration paid to the undersigned by the Assignee, the receipt whereof is hereby acknowledged, Assignor(s) by these presents hereby sells, assigns, transfers, and sets over unto Assignee the entire right, title, and interest in and to the invention or improvement, any patent, any and all forms of legal protection for any invention disclosed in the application first referenced above, any interest in any inventions, ideas, designs, architectures, computer hardware, software or data disclosed therein and any improvements thereto, any patent application relating to any of the foregoing and any and all Letters Patent that may be granted thereon, in and for the United States or any foreign country, including any continuation, division, renewal, extension, substitute, or reissue thereof, all treaty and convention rights, rights of priority arising from the aforesaid application(s), and the right to sue for past, present, and future infringement, the same to be held and enjoyed by Assignee, its successors, assigns, or other legal representatives, to the full ends of the terms for which all Letters Patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

Assignor(s) hereby authorize Assignee to make application for and to receive Letters Patent for the invention in any of said countries at its election. Assignor(s) hereby authorize and request the Commissioner for Patents of the United States, and any official of any country whose duty it is to issue Letters Patent on applications, to issue all such Letters Patent for the invention to Assignee, as assignee of the entire right, title and interest in, to and under the same.

Assignor(s) covenant to execute or procure any further necessary assurance of title to the invention and Letters Patent; and at any time, upon the request and at the expense of Assignee, to execute and deliver any and all papers, and do all lawful acts that may be necessary or desirable to perfect the title to the invention or any Letters Patent that may be granted therefor in Assignee, its successors, assigns, or other legal representatives; and, upon the request and at the expense of Assignee, to execute any additional or divisional, continuation, reissue, or reexamination applications for patents for the invention, or any part or parts thereof, and to make all rightful oaths and do all lawful acts requisite for procuring and enforcing proper patent protection for the invention, without further compensation but at the expense of Assignee, its successors, assigns, or other legal representatives. Assignor(s) covenant to communicate to the Assignee, its successors, legal representatives, or assigns any facts known concerning the invention.

**ASSIGNMENT**

This ASSIGNMENT (the "Assignment") is made and entered into by and among:

Korbin S. Van Dyke, 3343 Little Valley Rd, Sunol, CA 94586, United States

("Assignor") and ATI International SRL, a society with restricted liability organized under the laws of Barbados, having an office at Beaumont House, Hastings, Christ Church, Barbados, W.I. (the "Assignee") (the Assignors and Assignee collectively referred to as the "Parties").

WHEREAS Assignor desires to assign to Assignee its entire right, title and interest in and to the Invention (as defined below), and Assignee desires to accept such right title and interest;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, the parties agree as follows:

1. Invention Defined. As used in this Assignment, "Invention" shall mean that certain application for Letters Patent of the United States filed on July 26, 2000 as Application Serial No. 09/626,325 and entitled OPERATING SYSTEM FOR COMPUTER WITH TWO ARCHITECTURES, all inventions or discoveries disclosed or claimed therein, any continuation, division, renewal, extension, substitute, reexamination, reissue or continuation-in-part thereof, all treaty and convention rights and all rights of priority arising from the aforesaid applications, all applications claiming priority therefrom for the United States, or any other country, or any regional or international patent convention, all patents, utility models, invention registrations or any other form of legal protection issuing from any of the aforesaid applications, and all rights to sue for past, present, or future infringement under any of the aforesaid.

2. Assignment. Assignor hereby sells, assigns and transfers to Assignee its entire right, title, and interest in and to the Invention.

3. Further Assurances. Assignor hereby covenants that Assignor shall, at the cost and expense of Assignee, take all actions and execute all documents necessary or desirable to establish inventorship, to perfect the interest of Assignee in and to the Invention, or to substantively prosecute or enforce the Invention, including but not limited to working with Assignee's counsel to prepare, review, execute, assign, and prosecute any and all patent applications or other lawful papers included in the Invention and all related documentation, and do all lawful acts requisite for enforcing rights thereunder, and shall not enter into any agreement in conflict with this Assignment. Assignor hereby covenants (a) to communicate to Assignee any information known by Assignor that concerns the Invention and the history thereof, including all "material information" as defined in 37 C.F.R. § 1.56(a), promptly upon learning such information, (b) to testify in any legal proceeding relating to the Invention or this Assignment, and (c) generally to do all further acts that may be necessary or desirable to obtain or enforce proper patent protection for the Invention.

4. Acknowledgement. Assignor hereby authorizes Assignee to make application for and to receive Letters Patent for the Invention in any country throughout the world in Assignor's or Assignee's name, at Assignee's election. Assignors hereby authorize and request that the competent authorities record this Assignment, and grant and issue any and all patents included in the Invention to the Assignee as the assignee of all right, title and interest therein.

5. Representations and Warranties. Assignor represents and warrants that (a) Assignor has full power and authority to enter into this Assignment, (b) this Assignment has been duly authorized, executed and delivered by Assignor and constitutes the legal, valid and binding obligation of Assignor, (c) Assignor has not previously assigned any right or interest in the Invention to any third party, (d) Assignor is under no obligation to assign any right or interest in the Invention to any third party, and (e) entry into this Assignment does not breach any agreement between Assignor and any third party.

6. Successors. This Assignment shall be binding upon and inure to the benefit of the Parties hereto and to their respective successors and assigns.

7. Severability. If, for any reason, a court of competent jurisdiction finds any provision of this Assignment, or any portion hereof, to be unenforceable, such decision shall not affect the validity of the remaining portion, which remaining portion shall continue in full force and effect as if this Assignment had been executed with the invalid portion thereof eliminated therefrom. In the event that a portion of this Assignment shall be declared to be invalid, then the parties agree that they shall enter into good faith negotiations with one another to replace such invalid provision with a valid provision as similar as possible to that which had been held to be invalid.

8. Choice of law. This Assignment shall be governed by, and construed in accordance with, the law of the State of New York, excluding its choice of law principles.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed as of the date written below.
