PATENT ASSIGNMENT

We, Amy L. Baxter, residing at 322 Sutherland Place, NE, Atlanta, Georgia 30307, United States of America, and Louis A. Calderon, residing at 322 Sutherland Place, NE, Atlanta, Georgia 30307, United States of America, (hereinafter collectively, the "Assignors"), in consideration of One Dollar and other valuable consideration paid to us by MMJ Labs, LLC, a Georgia corporation, maintaining its principal place of business at 322 Sutherland Place, NE, Atlanta, Georgia 30307, United States of America ("Assignee"), the receipt and adequacy of which is hereby acknowledged, do hereby sell, assign, and transfer unto Assignee, its successors and assigns, the entire right, title and interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property in a certain invention or improvement in the invention entitled:

DEVICE AND METHOD FOR THE REDUCTION OF PAIN ASSOCIATED WITH NEEDLE STICKS

filed in the United States Patent and Trademark Office on October 4, 2006, and assigned Application No. 11/538,718, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, continuation-in-part, reissue or other applications, based in whole or in part thereon, including the right to sue and collect damages for past infringement. And we agree, for ourselves and our executors and administrators, with Assignee and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to Assignee, with specifications and claims in such form as shall be approved by the counsel of Assignee and to vest and confirm in Assignee, its successors and assigns, the legal title to all such patents. Assignors further authorize and grant a limited power of attorney to Assignee's attorney, Jason A. Bernstein, or his/her designee, to execute on Assignors' behalf any documents necessary to evidence the assignments granted herein for the United States or any other country without further notice to Assignors.

And we do hereby authorize and request the Commissioner for Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, we have hereunto set our hands and affixed our seals on the date set forth below.
