ASSIGNMENT

WHEREAS, we, John Stephenson, whose post office address is 5368 Wildcat Court, Morrison, Colorado 80465 and Barry Schafer whose post office address is 3320 Bordeaux Drive, Eldorado Hills, California 95762, have made a certain new and useful invention relating to a design for a eye speculum, for which we have made applications for Letters Patent of the United States, which applications may be identified in the United States Patent and Trademark Office as Patent Application No. 29/289,198 filed July 11, 2007, entitled "EYE SPECULUM"; and

WHEREAS, ENVISION EYES, LLC, a Colorado limited liability company, whose post office address is 5368 Wildcat Court, Morrison, Colorado 80465 is desirous of acquiring the entire interest in and to said invention, said design application and any design continuation, continuation-in-part, divisional, renewal, or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, or any reissue or reexamination thereof, to be obtained therefor:

NOW THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid, the receipt and sufficiency of which are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto ENVISION EYES, LLC and its legal representatives, successors and assigns, the entire right, title and interest in and to said invention, said application and any design continuation, continuation-in-part, divisional, renewal or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or reexamination thereof; and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, we hereby covenant and agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, non-provisional, continuation, continuation-in-part, divisional, renewal, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or choses in action accruing as a result of such

applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

WE HEREBY AUTHORIZE the above-mentioned assignee to insert in this instrument the serial number of said application.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals on the date indicated below.
