ASSIGNMENT -SOLE

FILE No: 39252

WHEREAS, I, Mark William Alberty of 2918^{1/2} Rosemary Park Lane, Houston, Texas 77082 am the first and sole inventor of an invention or improvement in

**"METHOD FOR DETECTING FORMATION PORE PRESSURE
BY DETECTING PUMPS-OFF GAS DOWNHOLE"**

for which I have executed an application for Letters Patent of the United States of America of even date herewith;
and,

WHEREAS, BP Corporation North America Inc., a corporation organized and existing under the laws of the State of Indiana, having its principal office and place of business at 4101 Winfield Road, Warrenville, Illinois 60555, , is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said BP Corporation North America Inc., its successors, legal representatives, and assigns, my entire right, title and interest in, to and under the said invention, and the said application, and all divisional, renewal, substitutional, and continuing application thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, including all rights or priority, all rights to publish cautionary notices reserving ownership of said invention, all rights to register said invention in appropriate registries, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America and all extensions, renewals and reissues thereof, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said BP Corporation North America Inc., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to said BP Corporation North America Inc., its successors, legal representatives and assigns, any fact known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said BP Corporation North America Inc., its successors, legal representative and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand the day and year set opposite my signature.
